Job Description:

Registered Nurse needed in LTC

Plan A Powered By StaffStat is the only staffing strategy in Canada focused specifically on seniors' care. Our strategy marries people and culture to innovation to help Long Term Care homes optimize their staffing. Our goal is to ensure senior care organizations across our country have access to a strategy that keeps their frontline employees supported and their residents safe and cared for. We are on a mission to find the most compassionate and dependable health care professionals to provide quality care to seniors in Canada.

At Plan A, we take care of the people who take care of our most vulnerable people. We recognize the importance of balancing work and life. We value your time and encourage you to take the reins of your career while enjoying what you love to do.

Here's how we provide the best job ever for Canadian health care professionals just like you!

- Flexible scheduling - accept shifts directly through the StaffStat app!
- Rewarding & impactful work
- Great compensation
