## Job Description:

HVAC Estimator Assistant for Summer Employment

Wage: \$18.00/HOUR

Schedule: Full-Time, May 1 to August 25, 2023

This is an excellent opportunity to introduce yourself to the HVAC industry. Henderson Metal services residential, commercial and industrial markets in Sault Ste Marie and the Algoma District. We are hiring a HVAC Estimator Assistant for the summer season. This position is ideal for a post-secondary student in the Mechanical/Electrical field of study with an interest in HVAC. The successful candidate can expect to complete the following job duties:

- Assist with estimates
- Obtain quotes from suppliers
- Review shop drawings and manuals

## Required Skills:

The successful candidate should possess the following skills and requirements:

- Valid driver's license
- Excellent organization skills
- Excellent verbal communication
- Ability to read plans and specifications

## How to Apply:

To apply for this position, please email your resume to [info@hendersonmetal.com](mailto:info@hendersonmetal.com)

We thank all candidates for their application. Only those selected for an interview will be contacted.
