

Heavy Equipment Technician

Employer: R.W. Tomlinson Limited

Posted: 17 months ago

ES Job ID: 3941

Sector(s): Skilled Trades

Closing Date: May 31, 2023

Location: Bruce Mines

Duration: Full Time

Job Description:

Ontario Trap Rock, a division of R.W. Tomlinson Limited is currently reviewing potential candidates to fill an immediate requirement for a Heavy Equipment Technician based at our Bruce Mines Quarry.

PRIMARY RESPONSIBILITIES

- Servicing and repairing of heavy equipment
- Servicing and repairing quarry support vehicles and small engines
- Performing diagnostic testing to identify the malfunction as well as post-repair testing to ensure it was successful
- Able to complete repairs to manufacturers' specifications and legislated requirements
- Communicate successfully with the operators of the heavy equipment, potentially providing preventative advice or further instruction
- Preparation of accurate written repair order sheets and reports
- Interpretation of service manuals, schematics, lube charts, repair orders, etc.

WORKING CONDITIONS

- Work 55 hours per week, day shift, Monday through Friday
- Must be available to be on-call for onsite repairs and on Saturdays when required
- Work successfully and efficiently with minimal supervision
- Work well with others in a team environment

Requirements:

EDUCATION AND EXPERIENCE

- Completion of secondary school is usually required
- At least 5 years' experience, ideally with mechanic's license
- Experience with gasoline and diesel equipment, specifically Caterpillar
- Safety training and experience is an asset
- Small Engine experience
