Job Description:

The Advanced Practice Nurse (APN) is an NP registered in the Extended Class who functions as a member of the health care team in the provision of care to patients presenting to the Emergency Departments at the North Shore Health Network Blind River, Thessalon, and Richards Landing sites.

Responsibilities:

- Provides collaborative primary care and/or follow up in the Emergency Department; with a focus on unattached and locum physician patients
- Working at full scope of practice provides care to patients presenting in the Emergency department with lower acuity (triage 4,5) and collaboratively with physicians for patients presenting with higher acuity (triage 1,2,3) and seniors who are identified as needing specialized geriatric services.
- Develops in collaboration with the physicians, medical directives to support the advanced practice role as required by legislation
- Participates in providing education to nursing staff to enhance nursing practice.
- Participates on internal and external committees relevant to the responsibilities of the position and assigned as per the NSHN's framework for committee representation
- Takes responsibility for own professional growth.
- Other duties as assigned

Wages:

\$63.50 (MIN) to \$70.00 (MAX)

The North Shore Health Network provides rural healthcare for communities along the north shore of Lake Huron - including services in Blind River, Thessalon and Richards Landing. The North Shore Health Network sites have been serving their communities faithfully for many years providing emergency, acute, complex continuing care, long-term care and community support services.

Required Skills:

- Licensed as a Nurse Practitioner or RN - Extended Class with the College of Nursing of Ontario in good standing
- Current CPR, ACLS, PALS
- Master's Degree in Nursing or other Health Related field
- Care of the Elderly designation or other related courses
- Completed culturally sensitive care courses and incorporated knowledge into practice
- Minimum of 2 years of diverse clinical practice in a hospital setting (Emergency Department, Acute care, Primary Care) as a Nurse Practitioner
- Demonstrated ability to work in a collaborative team environment with excellent interpersonal skills, and communication skills both written and verbal

- Proven ability to identify, develop and lead the successful implementation of best practice skills in the provision of clinical care
- Proven clinical knowledge and the ability to use sound professional judgement
- Demonstrated ability to make independent decisions quickly and accurately under varied and complex situations.
- Clear criminal record and Valid Driver's License
- Bilingual - English & French considered a strong asset

How to Apply:

Interested applicants may submit resumes via e-mail to: humanresources@nshn.care
