Why you'll love working here:

- Autonomy, independence, and a work-life balance
- Supportive team of peer nurses and supervisors
- Opportunity to develop long term therapeutic relationships with patients
- Best in class training and development programs, including a comprehensive clinical orientation and hands-on skills labs
- Celebration and Recognition programs
- Part time and Full-time scheduling including every other weekend off
- Comprehensive health and dental benefit plans
- Company paid mobile devices
- Mileage compensation
- Opportunities for career advancement
- Employee perks and exclusive offers

What you'll do:

- Using appropriate assessment tools/techniques to assess patients' individualized needs
- Executing and continuously monitor care plans
- Engaging patients using a collaborative approach by building rapport and trust
- Maintaining and update professional patient records related to patient encounters and plans

Required Skills:

What you bring:

- Registration with the CNO as a Registered Nurse in good standing
- Valid driver's license and access to a vehicle is required
- Experience in delivering community care is an asset
- Reliability and flexibility
- Willingness to travel to and from patient residences within a designated area
