POSITION SUMMARY

The Manager, Niigaaniin Program is responsible for the management, of client opportunities that are aimed at helping eligible community members become self-supporting through employment or self-employment while ensuring that they are able to meet their basic financial needs.

DUTIES

- Monitoring the need for financial and developmental assistance and opportunity development through interaction with community members and through information sharing/liaison with staff of related community-based programs/services, and relevant other indigenous and non-indigenous agencies working with community members;
- Participating in ensuring that culturally appropriate methods of delivery of financial and developmental assistance are identified and/or developed, and are incorporated into service delivery to community members where appropriate and as requested;
- Ensuring that Niigaaniin services are effectively and efficiently coordinated throughout each planning period with other relevant community-based and external services;
- Assisting with the completion of the application and consent forms and obtain additional information as required for entitlement and maintaining up-to-date financial and developmental assistance information in participants files;
- Encouraging, as appropriate, other community-based programs to develop new or modify existing services in order to effectively address the developmental needs of Niigaaniin program participants;
- Entering into developmental service agreements with clients and the staff of other programs involved;
- Organize, schedule, train, supervise and coordinate their staff;
- Delegating specific task assignments to the employees of their particular program as maybe required;
- Evaluating the job performance of their staff on an annual basis ensuring that the objectives of Garden River First Nation are being met effectively by all Program personnel;
- Performing other related duties as may be required and assigned;

Required Skills:

- Required bachelor's degree in human Relations or related field;
- Required three years direct experience and supervisory experience;
- Familiar with the relevant Tribal, First Nation, Federal and Provincial policies and legislations regulations and/or

guidelines that are relevant to the funding and delivery of Niigaaniin Program services;

- Knowledge of the range of relevant community-based and external programs and services available to community members;
- Knowledgeable of the range of both contemporary and traditional methods of intervention, assessment, counselling, support, training and healing that are effective in promoting community family and individual development and well-being;
- Demonstrated sensitive to and knowledge to the First Nation cultural values and traditions;
- Ability to use good judgement in assessing difficult situations;
- Flexibility required to keep pace with an ever-changing environment;
- Stamina, sensitivity and strong negotiation and advocacy skills;
- Excellent organizational skills, time management skills, interpersonal and communication skills, both oral and written;
- Must undergo a criminal record and vulnerable sector check prior to employment (At Applicant Expense)
