

Automotive Service Technician

Employer: Algoma Chrysler

Posted: 2 months ago

ES Job ID: 4605

Sector(s): Skilled Trades

Closing Date: March 31, 2024

Location: Spragge

Duration: Full Time

Job Description:

Algoma Chrysler is seeking a dedicated, attentive, and proficient Automotive Technician to provide exceptional technical support and mechanical expertise working in the shop of our Service Department at our Spragge location. As an Automotive Technician at Algoma Chrysler, you will play a crucial role in customer experience by conducting diagnostic procedures to determine vehicle maintenance requirements & providing accurate repair recommendations to customers.

To succeed in this role, you should be physically and mentally fit and have a solid knowledge of basic mechanics' tools, services, and diagnostic equipment. The ideal candidate will have strong attention to detail, with excellent communication and customer service skills.

Job Type: Permanent; Full-Time

Hours: Monday - Friday, 8 am to 5 pm

Responsibilities

- Review work orders and discuss work with the Service Manager (if applicable)
- Inspect motor in operation, road test motor vehicle, and test automotive systems and components using computerized diagnostic and other testing devices to diagnose and isolate faults
- Perform routine automotive maintenance tasks, including oil changes, tire rotations, and brake inspections.
- Adjust, repair, or replace parts and components of automotive systems including fuel system, brakes, steering and suspension, engine and drive train, emission control and exhaust, cooling and climate control, and electrical and electronic systems using hand tools and other specialized automotive repair equipment
- Test and adjust repaired systems to the manufacturer's performance specifications
- Advise customers on work performed, general vehicle condition, and future repair requirements if necessary

What We Offer

- Competitive Salary along with Benefits Package (After 3 Months)
- Bonus Pay
- Additional Employee Benefits (Vehicle Purchase Program & Vehicle Servicing Discounts)
- A Friendly Work Environment

Required Skills:

Qualifications

- Proven experience in Automotive repair
- Strong knowledge of automotive systems, components, and repair techniques
- Critical thinking, attention to detail, time management, and problem-solving skills to perform repairs successfully
- The ability to interpret technical terms to customers is considered an asset
- Proficient in using diagnostic tools and equipment

- Able to work independently and efficiently in a fast-paced environment
- Valid Drivers License
- The ability to operate vehicles with a manual transmission is regarded as an asset

Requirements:**Experience**

- A provincially recognized Journeyperson Automotive Mechanic Certificate (Preferred but not required)
- A Red Seal License is considered an asset
- 1 + years of experience in Automotive Repair is considered an asset
- 1+ years working in the Automotive Industry is preferred but not required

How to Apply:

Here is what you must include when submitting your application:

- Cover letter
- References attesting experience
- Proof of the requested certifications
- The highest level of education and name of the institution where it was completed

Please submit your application to darrinrobins@gmail.com with 'Mechanic - Spragge' in the subject line.
